

CHAIN SAWS

SE 200Q

Stiga SE 200Q Electric chain saw

Professional, strong and practical electric saw for cutting wood, garden work or construction use.

SE 200Q has a powerful 2000-watt motor and 40 cm bar. It also has a high safety with double acting chain brake protection.

The saw has a low kick-back chain 3/8 as standard. The amount of the chain oil level is easily visible from outside.

SE 200Q has a toolless quick tensioning system that allows the user to adjust the chain quickly and at the right tension.
